Attitudes on ethical questions			E13 Ethical questions are a private matter; these questions have no place at school.			E15 Religious questions should be taught in separate lessons, not in other subjects.			E19 It makes no difference to me if religion and ethics are taught together in the same subject.			E17 I think other subjects are more important than religion or ethics.			E24 The most important values come from religion.

Einstellung zu ethischen Fragen			E13 Ethische Fragen sind Privatsache, solche Fragen gehören nicht in die Schule.			E15 Religiöse Fragen sollten im Unterricht eigenständig unterrichtet werden, nicht innerhalb anderer Fächer			E19 Mir ist es egal, wenn Religion und Ethik im gleichen Fach unterrichtet wird.			E17 Ich finde, andere Fächer wichtiger als Religion oder Ethik.			E24 Die wichtigsten Werte haben ihren Ursprung in der Religion.

Self rating			E23 I am mostly passive in class.			E21 I sometimes learn more through my own work with teaching materials than through the teacher's explanations.			E12 I learn most in class when I am involved in group work.			E14 I sometimes feel as if the others in my class are much better at everything than I am.			E18 I dislike having to discuss in front of the class.

Selbsteinschätzung			E23 Ich bin im Unterricht meistens passiv.			E21 Durch die eigene Beschäftigung mit Unterrichtsmaterialien lerne ich manchmal mehr als durch die Erklärungen der Lehrer.			E12 Im Unterricht lerne ich am meisten, wenn ich in einer Gruppe arbeite.			E14 Manchmal ist mir so, als ob die anderen in meiner Klasse alles viel besser können als ich.			E18 Wenn ich vor der Klasse argumentieren muss, ist mir das unangenehm.
